USTA League Tennis National, Southern, and Mississippi Regulations have full force and applicability at all levels of play in USTA League Tennis in Mississippi and there is no authorization to modify, amplify or change them by local or State League Coordinators, or Grievance or Grievance Appeals Committees. Any violation of these regulations shall be subject to such sanctions as may be imposed by League Grievance or Grievance Appeal Committee procedures outlined in the USTA League Regulations. USTA Southern is the final authority on such actions unless otherwise specified in Bylaws of the USTA or USTA Southern. The State League Coordinator, in conjunction with USTA Mississippi Adult League Committee Chairman, shall have the authority to interpret the USTA League Tennis Mississippi Regulations. USTA League Tennis Regulations (National, Southern and Mississippi) are available on the Mississippi Tennis Association website: www.mstennis.com.

All USTA, Southern, and Mississippi Regulations with the modifications listed below, shall apply to the Delta League Programs. (Note: information included herein should be applied in conjunction with all applicable USTA, Southern, and Mississippi League Regulations)

LOCAL LEAGUE AREA OF PLAY

For 2010 the Delta local league will cover the following cities: Winona, Greenwood, Indianola, Leland, Cleveland, Rolling Fork, Belzoni, Hollandale, Greenville, Lake Village, and other city that falls within these boundaries. The Delta Local League Regs Committee met and Lake Village will be allowed to have home court advantage for 2010.

TEAM MATCH FORMAT

All individual matches shall be the best of three sets, regular scoring, with a **set tiebreak** (first to 7 by 2) at six all in each set. In lieu of a third set, a **match tiebreak** (first to 10 by 2) shall be played. **All tiebreaks shall follow the Coman tiebreak procedure.** There will be a two minute set break at the end of each set **with no coaching.**

MATCH PLAY, LINEUP EXCHANGE, and FORFEITS

Players participating in a league match must be registered in Tennis Link prior to participation.

Team captains should exchange scorecards with a completed line-up **10 minutes prior** to a scheduled match.

Matches should begin promptly as scheduled with a five minute warm-up allowed. This includes serves. There is a fifteen minute default rule in effect for all scheduled matches.

Teams may not forfeit an entire match. For a five court match, a maximum of two courts may be defaulted; for a 3 court match, only one court may be defaulted. Please see state regulations for further information concerning penalty for match forfeits.

In the event of illness, injury, disqualification, or no-show of a player prior to the start of an individual match (once the lineup has been exchanged) a team may substitute a player in the affected position within the 15 minute default time, using a player not already listed in the lineup. If no such substitution can be made, the affected position will be forfeited. If a team cannot field an entire match, they must forfeit beginning at the bottom of the score card (either singles or doubles) and work upward.

The Home Team will furnish the courts and **new** balls. Court surfaces should be the same for all team matches. The Home Team Captain must notify the Visiting Team Captain for **mutual** agreement if a different surface is to be used. If the court surface is agreeable, the Home Team Captain must let the Visiting Team captain know 48 hours in advance which position(s) will be played on what type of surface(s). If only four courts are to be used for the team match, the match will be played as follows: #1 Singles, #2 Singles, #1 Doubles, and #2 Doubles to be played first with the #3 Doubles to follow on the first available court or unless both captains agree on a different schedule of play for the team match. **The Home Team Captain should confirm the match date and time by contacting the Visiting Team Captain at least two days prior to the match.**

SCORE REPORTING

All scorecards are to be entered and confirmed online with TennisLink within **48 hours** of a completed match. If confirmation has not been completed within the aforesaid **48 hours**, TennisLink will automatically confirm the scorecard and the scores will stand as entered. Completed scorecards are to be **verified** and **executed** by both captains upon completion of match play.

RESCHEDULING MATCHES

A scheduled match may not be cancelled until three hours prior to the match time due to inclement weather.

A team match may be rescheduled **ONLY** under the following circumstances: (1) Rain or severe temperatures (40 or below). Wind chill is a factor for severe temperatures; (2) Agreement of both captains. If not, the match will be played as originally scheduled. Also, extreme heat is **not** a factor to reschedule matches. In the event that inclement weather occurs during play, completed matches will stand as played. The same players at the exact set, game and point that existed when play was halted must resume incomplete matches upon an agreed date and time. In the event that rain or inclement weather forces the cancellation and rescheduling of a team match, substitutions may be made in any individual matches that had not begun. Points awarded for forfeits during the original lineup exchange will stand. All players involved in such forfeits cannot participate in the re-scheduled match. Verbal forfeits offered prior to the original written lineup exchange are nullified when the match is rescheduled due to rain or inclement weather. A match may not be cancelled until three hours prior to the scheduled match due to inclement weather.

Rescheduled matches should be completed within two weeks of the scheduled match. Once teams agree on a rescheduled date and time, the match must be played at that time. If weather or other circumstances occur on that date, the match must still be completed within the same two weeks. If teams cannot agree on a rescheduled date, the Local League Coordinator will reschedule the match on a date and time not already scheduled at that level for the teams involved at a neutral site. Neither team will have home court advantage.

DETERMINATION OF LEAGUE WINNER

The team with the most team wins will be the league champion and advance to the State Championship. In the event of a tie, USTA procedures shall govern as follows:

1. Team with most individual match wins.
2. Team with fewest sets lost.
3. Team with the fewest number of games lost.
4. Winner of the head to head match.
5. A method to be determined by the Local League Coordinator.

GENERAL

1. Coaching is not permitted at any time.
2. Cell Phones: If a player's cell phone rings during match play, that player automatically loses the point. A player may not use or talk on the cell phone while on the court
3. Bathroom Breaks may be taken as needed during the match
4. Only new balls that are approved by the USTA for championship play may be used.
5. There will be no refund for players who register on the wrong team. In some cases, the LLC can move players from one team to another. If a player makes an error, call the LLC before re-registering.
