The State League Coordinator, in conjunction with USTA Mississippi Adult League Committee Chairman, shall have the authority to interpret the USTA League Tennis Mississippi Regulations. USTA League Tennis Regulations (National, Southern and Mississippi) are available on the Mississippi Tennis Association website: [www.mstennis.com](http://www.mstennis.com).

**All USTA, Southern, and Mississippi Regulations with the modifications listed below, shall apply to the Pine Belt League Programs.** (Note: information included herein should be applied in conjunction with all applicable USTA, Southern, and Mississippi League Regulations)

#### **OFFICIAL TEAM ENTRY REQUIREMENTS**

1. Registration on Tennislink by deadline set by local coordinator. If a team requests to be registered after the deadline, a majority of the captains in the affected division must approve adding the team.
2. Security Deposit of \$150 per team made payable to MTA submitted to coordinator. **If a team fails to submit the security deposit, the flight schedule for the team will not be published. If the check is not submitted within one week of the Captains' Meeting, the team will be removed from TennisLink and will not be allowed to participate in league play.**

#### **OUT OF STATE/AREA PARTICIPATION**

The maximum number of out-of-state players on a team shall not exceed 25%. Team Rosters: 16 on the roster--4 out-of-state players; 10-13 on the roster—3 out-of-state players; 6-9 on the roster—2 out-of-state players.

#### **TEAM MATCH FORMAT**

All individual matches shall be the best of two sets, regular scoring, with a set tiebreak (first to 7 by 2) at six all in each set. In lieu of a third set, a match tiebreak (first to ten by 2) shall be played. **The COMAN tiebreak procedure will be used.**

#### **MATCH PLAY, LINEUP EXCHANGE, and FORFEITS**

Players participating in a league match must be registered in Tennis Link prior to participation.

Team captains should exchange scorecards with a completed line-up **prior** to a scheduled match. There is a fifteen minute default rule in effect for all scheduled matches.

Teams may not forfeit an entire match. For a five court match, a maximum of two courts may be defaulted; for a 3 court match, only one court may be defaulted. Please see state regulations for further information concerning penalty for match forfeits.

In the event of illness, injury, disqualification, or no-show of a player prior to the start of an individual match (once the lineup has been exchanged) a team may substitute a player in the affected position within the 15 minute default time, using a player not already listed in the lineup. If no such substitution can be made, the affected position will be forfeited. If a team cannot field an entire match, they must forfeit beginning at the bottom of the score card (either singles or doubles) and work upward.

The home team is responsible for the courts and balls. A team match must be played on one surface. The surface is the choice of the home team. The surface choice must be announced at least two weeks prior to the scheduled match. If a match is not completed due to inclement weather or loss of court time, it must be completed on the same surface. The **minimum** number of team matches will be four. Each level will play a double round robin. Other alternative play will be determined by the LLC if the double round creates too few or too many matches

**If a match is schedule at a facility that does not have or does not make available the required number of courts to play the entire match, the scheduled match time for the courts that are not played at the regularly scheduled time will be one hour after the scheduled match time. The play will be as follows: #1 Singles, #1 Doubles, and #2 Doubles will be played at the regularly scheduled match time and #2 Singles and #3 Doubles will be played at the later time. A completed scorecard will be exchanged at the regularly scheduled match time; however, those players that are scheduled to play at #2 Singles and #3 Doubles do not have to be present but should be present and ready to play one hour after the regularly scheduled match time.**

All courts will be played at the scheduled time(s). Those courts not played at the scheduled time will be a default against the team that did not have players available to play. If matches are played at times other than the scheduled time, even if agreed upon by both captains, a grievance will be filed by the LLC against both captains which may result in loss of the \$150 deposit and/or other sanctions.

#### **SCORE REPORTING**

All scorecards are to be entered and confirmed online with TennisLink within **48 hours** of a completed match. If confirmation has not been completed within the aforesaid **48 hours**, TennisLink will automatically confirm the scorecard and the scores will stand as entered.

#### **RESCHEDULING MATCHES**

A team match may not be rescheduled within two weeks of the match with the exception of the following circumstances: rain, severe cold (40°F or lower and wind chill is a factor for severe temperatures), or other severe weather (tornado, hurricane, etc.). A match may be rescheduled prior to two weeks of the scheduled date only if both captains agree to reschedule. If a match is rescheduled within the stated time frame, both team captains must notify the local league coordinator by e-mail of the rescheduled match within two weeks of the scheduled match. In the event that a match is reschedule during the two week period before the match, a grievance will be filed by the local league coordinator against both captains which may result in forfeiture of the \$150 deposit and/or other sanctions. Failure of both captains to notify the LLC of those matches scheduled within the appropriate period will result in a grievance being filed against the violating captain(s) which may result in forfeiture of the \$150 deposit and/or other sanctions.

In the event that inclement weather occurs during play, completed matches will stand as played. The same players at the exact set, game and point that existed when play was halted must resume the incomplete matches at an agreed upon date and time. In the event that rain or inclement weather forces the cancellation and rescheduling of a team match prior to play beginning, substitutions may be made in any individual matches that had not begun. Points awarded for forfeits during the original lineup exchange will stand. All players involved in such forfeits cannot participate in the re-scheduled match. Verbal forfeits offered prior to the original written lineup exchange are nullified when the match is rescheduled due to rain or inclement weather. A match may not be cancelled until three hours prior to the scheduled match due to inclement weather.

If teams cannot agree on a rescheduled date, the Local League Coordinator will reschedule the match on a date and time not already scheduled at that level for the teams involved at a neutral site. Neither team will have home court advantage.

#### **DETERMINATION OF LEAGUE WINNER**

The team with the most team wins will be the league champion and advance to the State Championship. In the event of a tie, USTA procedures shall govern as follows:

1. Team with most individual match wins.
2. Team with fewest sets lost.
3. Team with the fewest number of games lost.
4. Winner of the head to head match.
5. A method to be determined by the Local League Coordinator

#### **TEAM CAPTAIN RESPONSIBILITIES**

1. Attending (or appointing a team member to attend) mandatory Local League Captains' Meeting, which will be held at the Whitehead Advanced Technology Center in Ellisville on February 4, 2010, at 6:00pmm. **If a captain or representative does not attend the Captains' Meeting, the team will have to travel to all matches. It is the responsibility of the captain that did not attend the meeting to arrange for scheduling the matches. When this occurs, the final schedule should be completed and submitted to the LLC within one week of the captains meeting. Failure to do so will result in the team being removed from competition.**
