

**2009 USTA LEAGUE
NORTH CENTRAL LOCAL LEAGUE RULES
Local League Coordinator, Tommy Clements**

The purpose of USTA League in Mississippi is to promote team tennis using the National Tennis Rating Program (“NTRP”) for players of comparable ability to have fair and recreational play at the local level.

I. LEAGUE REGULATIONS

All players will abide by the USTA rules of tennis: The Code, Friend at Court, USA League Regulations and the 2009 USA League Tennis Mississippi Regulations. All USTA, STA and MTA rules apply before any local league rules.

II. PLAYER REQUIREMENTS

All players must have a current USTA membership through May 2009 or later.

Players who do not have a computer rating on file in TennisLink shall self-rate in accordance with the National Tennis Rating Program (NTRP) Guidelines and complete the self-rating process on TennisLink when registering for a team. Failure to do so or omission of information regarding a player’s tennis history will subject the player, the captain and/or others who condoned inaccurate self-rating to sanctions and disqualification.

PLAYERS WITH A COMPUTER RATING: Players 59 years and under with a 2006, 2007, or 2008 computer rating must enter at that rating or higher. Players 60 years and over with a 2007 or 2008 computer rating must enter at that rating or higher. Players who play exclusively in the Mixed Doubles Division and choose to participate in the Adult and/or Senior Divisions the next year must enter at their Mixed Doubles Division year-end rating or higher.

The Southern NTRP Oversight Committee will have jurisdiction over grievances filed against any self-rated player or his/her captain who commits or condones entering one level or more below actual skill level.

The maximum number of out-of-state players on a team shall not exceed 25%.

Team Rosters: 16 on the roster- 4 out of state players; 10-13 on the roster – 3 out of state players; 6-9 on the roster -2 out of state players.

Teams must be in compliance with the rule on the date match is played.

A player may play 2 different NTRP levels in the same local league in the same USTA League Tennis season. A player may play the same NTRP level in two different local leagues as long as that player is playing on a team in their Local League area.

NOTE: If both teams advance to the State Championship, the player must choose which team they will advance with

Adult players may play in the adult division during the calendar year in which they reach age 19.
Senior players may play in the senior division during the calendar year in which they reach age 50.

III. TEAM MATCH FORMAT

Team match format for the USTA League Program shall consist of two individual singles matches and three individual doubles matches for all levels with the exception of 2.5 and 5.0. All 2.5 and 5.0 matches shall consist of one singles match and two doubles matches. Senior league play shall consist of three doubles matches. The maximum number of players on adult and senior league teams with the exception of 2.5 and 5.0, is **16** players per team. The maximum number of players on 2.5 and 5.0 teams is 10 players per team.

All individual matches shall be the best of two sets, regular scoring, with a **set tiebreak** (first to 7 by 2) at six all in each set. In the event that the teams split sets, a third set **MUST BE** played! Matches should begin promptly as scheduled with a five minute warm-up allowed. There is a fifteen minute default rule in effect for all scheduled matches. A team **may not** forfeit an entire match (if a team is required to play 5 courts, only 2 courts may be forfeited, if a team is required to play 3 courts, only 1 court may be forfeited). **NOTE: If a team defaults an entire match during round robin play, all matches of that team played or to be played shall be null and void in the team standings. Also, the team will forfeit their security deposit and a grievance may be filed by the Local League Coordinator & further penalties may be imposed.**

The Home Team will furnish the courts and new balls. Court surfaces should be the same for all team matches. The Home Team Captain must notify the Visiting Team Captain for **mutual** agreement if a different surface is to be used. If the court surface is agreeable, the Home Team Captain must let the Visiting Team captain know 48 hours in advance which position(s) will be played on what type of surface(s). If only four courts are to be used for the team match, the match will be played as follow: #1 Singles, #2 Singles, #1 Doubles, and #2 Doubles to be played first with the #3 Doubles to follow on the first available court. **The Home Team Captain should confirm the match date and time by contacting the Visiting Team Captain at least two days prior to the match.**

IV. RESCHEDULED MATCHES

A team match may be rescheduled **ONLY** under the following circumstances: rain, tornado(not gusty winds), hurricane, or severe temperatures (40 or below), wind chill is a factor for severe temperatures. **Captains may not call each other to re-schedule a match for any reason other than weather!** In the event that inclement weather occurs during play, completed matches will stand as played. The same players at the exact set, game and point that existed when play was halted must resume incomplete matches upon an agreed date and time. In the event that rain or inclement weather forces the cancellation and rescheduling of a team match, substitutions may be made in any individual matches that had not begun. Points awarded for forfeits during the original lineup exchange will stand. All players involved in such forfeits cannot participate in the re-scheduled match. Verbal forfeits offered prior to the original written lineup exchange are nullified when the match is rescheduled due to rain or inclement weather. **A match may not be cancelled until three hours prior to the scheduled match due to inclement weather.**

Rescheduled matches must be completed within two weeks of the scheduled match. Once teams agree on a rescheduled date and time, the match must be played at that time. If rain occurs on that date, the match must still be completed within the same two weeks. If teams cannot agree on a rescheduled date, the Local League Coordinator will reschedule the match.

V. SCORECARDS

ALL SCORECARDS MUST BE ACCURATE! Team captains must exchange scorecards with a completed line-up **10 minutes prior** to a scheduled match. All scorecards are to be entered and confirmed online with TennisLink within **48 hours** of a completed match. If confirmation has not been completed within the aforesaid **48 hours**, TennisLink will automatically confirm the scorecard and the scores will stand as entered.

In the event of illness, injury, disqualification, or no-show of a player prior to the start of an individual match (once the lineup has been exchanged) a team may substitute a player in the affected position within the 15-minute default time, using a player not already listed on the lineup. If no such substitution can be made, the affected position will be forfeited. If a team cannot field an entire match, they must forfeit beginning at the bottom of the scorecard and working upward.

Completed scorecards are to be verified and executed by both captains upon completion of match play.

VI. DETERMINATION OF LEAGUE WINNER

The team with the most team wins will be the league champion and advance to the State Championship. In the event of a tie, USTA procedures shall govern as follows:

1. Team with most individual match wins.
2. Team with fewest sets lost.
3. Team with the fewest number of games lost.
4. Winner of the head to head match.
5. A method to be determined by the Local League Coordinator.

A team member must play twice during the local league season to advance to the State Championship. Only one forfeit will count as an individual match for State Championship play; however a player must actually play two matches in order to generate a computer rating.
