

## USTA TOURNAMENT RATE OFFER

We are pleased to offer the following rates for the May 12, 2011 to May 15, 2011, period to accommodate your guests in Greenville:

Comfort Inn \$59.00 per night

Holiday Inn \$94.00 regular room/ \$119 mini-suite per night

Hampton Inn \$112.00 per night

We will hold a block of 50 rooms at each hotel. If the block is exhausted at one particular hotel, and more rooms are required at that hotel, we will reduce the number at another hotel so that the guests' preferences are honored, subject to that hotel's capacity. Thus, we are holding 150 rooms.

We will release the unclaimed rooms from the existing blocks in total after May 4, 2011. We will contact the local coordinator and any designated USTA officials on May 1, 2011, prior to cancellation of the unclaimed rooms to notify them of the exact counts and to offer an opportunity to make alternative arrangements. If reservations are made after that date, they may be subject to the regular rates which are being listed as follows, and are also subject to change:

Hampton Inn 129/139

Holiday Inn 107/130

Comfort Inn 80

Please note that the discounted rates are non-commissionable and are only available via direct booking. Online and travel agent rates will not be the same as these discount rates that are listed, and cannot be reduced below the published rates.

Please contact each property directly to make reservations:
